SUMMARY

Enthusiastic Fullstack Developer with hands-on experience in building dynamic web and mobile applications. Proficient in front-end and back-end development with a focus on creating robust and scalable e-commerce platforms. Experienced in developing real-time chat applications, blog platforms, and mobile apps. Strong in JavaScript and well-versed in a wide range of technologies, including React, MERN stack, Android app development using Java, React Native, Flutter, MEAN stack, Angular, C, C++, Java, and Python.

EXPERIENCE

Fullstack Developer Intern

TechPark, Kanyakumari, India

May 2024 – June 2024

- Developed a real-time chat application using React, Node.js, and WebSocket.
- Created a blog platform with authentication, CRUD operations, and RESTful APIs using Spring Boot and Angular.
- Led the development of a mobile application with Flutter.
- Built and optimized an e-commerce website, integrating payment gateways and inventory management systems.

PROJECTS

E-commerce Application

- Developed a scalable e-commerce platform using React, Node.js, and MongoDB.

Chat Application

- Implemented a real-time chat application using WebSocket and RESTful APIs.

Blog Platform

- Designed a blogging site with user authentication, post management, and comments feature using Angular and Spring Boot.

Mobile App

- Created a cross-platform mobile application using Flutter, focusing on performance and user-friendly interface.

Project Portfolio

- A comprehensive portfolio showcasing all projects and code samples can be viewed at: [GitHub: github.com/densingh](https://github.com/densingh)

EDUCATION

Bachelor of Information Technology

R.M.K. Engineering College, India

Graduated 2026

- GPA: 7.54/10
- Relevant Coursework: Web Development, Mobile App Development, Database Systems, Operating Systems
